

# Model: RH 449 LD

## Technical data

Product Class	40 litres
Free-standing version	yes
Net weight	14 kg
Packed weight	15 kg
Packed volume	0,135 m <sup>3</sup>
Outer dimensions (H x W x D)	582 x 422 x 440 mm
Packed dimensions (H x W x D)	604 x 462 x 484 mm
Door panel dimensions (H x W x D)	518 x 392 x max. 2 mm
Outside jacket material	skin plate
Outside door frame material	polystyrol
Inside cabinet material	vacuum formed polystyrol
Shelves	2 pcs of metal shelves
Door rack for mini bottles	1 pc (adjustable) + bottle separators
Door rack for maxi bottles	1 pc (adjustable) + bottle separators
Bottle fingers	yes
Ice tray	yes
Feet	40 mm (free-standing as standard)

Door closing	magnetic seal
Door opening direction	reversible (standard: right)
Available colour	anthracite
Rear cover	yes
Lighting	yes, LED with infrared door sensor
Power input	65W
Energy consumption (in compliance with EN ISO 7371, i.e.: 25 ° C / 7 ° C)	0,8 kWh/24h
Electricity	100 - 240 V - according to country specific requirement (50-60 Hz)
Defrosting	automatic with Fuzzy Logic
Thermostat	electronic (Fuzzy Logic)
Climate class	N
min. / max. ambient temperature	16/32 ° C
Cooling unit control	integrated in Fuzzy Logic

## Options

Built in version	with 12 mm screw down feet
Lock, 12 mm screw down feet, LED door opening control system via remote control
